

# 2017 House Athletics Carnival

The 2017 Butler College House Athletics Carnival will be held on Thursday 7 September.

All students are reminded to wear their Butler College Physical Education uniform to school on the day. If House shirts have been previously purchased from the uniform shop, please wear them!

The bell will sound at 8:25am and all students will move quickly to their Form class where they will receive their competitor numbers and information about the day.

Students will remain in their allocated House group areas and are encouraged to participate in the many different events throughout the day.

Students and families are reminded to be self-sufficient with plenty of water, food and appropriate clothing/hats to protect from the sun.

We encourage parents to attend - *please ensure you sign in through Administration* before moving down to the main sporting field where you will be able to set up on the southern end of the oval to view events.

The first event will commence at 9am so bring along a loud cheering voice and have a great day participating and supporting your House!
